

CAMP ALEXANDER PACK OUT MEALS

WEDNESDAY LUNCH, WEDNESDAY DINNER AND THURSDAY BREAKFAST 2005

All meals will be served buffet style in the Upper Elks Lodge Dining Hall with the exception of **Wednesday lunch and dinner and Thursday breakfast**. These three meals will be cooked in the campsite by the units. Menu Options (including Hot and Cold choices) will be available and ingredients will be packed by the Food Service Staff. Several of the stronger Scouts and an adult leader will need to collect the Unit's food from the Dining Hall for each of the campsite meals. **Troops will need to provide their own cooking equipment and mess kits for meals cooked in Campsites.** All cooking that takes place in your campsite must utilize propane stoves. If we are on fire ban charcoal cooking will be not allowed within the campsite. We have adopted this policy in accordance with both Colorado & National Forest Service Fire Regulations. Please no Liquid type stoves or lanterns.

Please look at the back of this form and choose the meals you would like. Circle a menu choice for each meal.

Upon arrival at Camp Alexander, please have this form completed and give to the business manager on Sunday check in
